THE SWORD

Joshua 24:15

"And if it seems evil to you to
serve the LORD, choose for
yourselves this day whom you
will serve, whether the gods
which your fathers served that
[were] on the other side of the
River, or the gods of the
Amorites, in whose land you
dwell. But as for me and my
house, we will serve the LORD."

WAHU GRADUATES 3 WAH SESSIONS

eating.

On Friday November 16th, WAHU conducted their
ceremony banquet in which they officially
graduated 13 men from the Wild At Heart (WAH)
8-week session. The three groups were WAH 5-6-
7. Their tribal names are in order as follows: **Tribe
Of Judah – Valliant Warrior – Gods Vanguard.**
This celebration included the spouses and children
of the past graduates and current grads to this
event. Close to 80 people attended this event.
There was a great time of fellowshiping and

In this particular event we added another dynamic to
the ceremony. We usually pass
out the ring to those who
completed the session as outlined
in our rules book. However, this
time we added the award vest.
This vest was presented to past
WAH grads as well as the
current ones. The vest is another way to recognize these men
who not only completed the study session but patches of events
they participated in. The more they participate in the WAHU
program the more patches and ribbon bars they will obtain.
For those not sure of the details of this awards vest, you can
gain more information at our website www.wahu.biz and look up Award Vest.

These groups of graduates were unique because we had two individuals attend our
sessions who attend another church. Our vision was to take the WAHU curriculum
to other churches and empower men to continue it there. All we would do is train
them up, give them the tools and support of our leadership team to make them
successful at their church. Bold Dog and Spear Carrier will be conducting the 1st 8-
week session at Shepherd's and Vine Man's church in 2013. Vine Man indicated
that he has 5 guys ready to go.

We will be conducting another round of WAH session at Life Church in Jan of 2013.
Our orientation meeting will be on December 15th. The orientation meeting is set up
to make sure we get the total buy in of the men wanting to go through the WAH
session. This time we will include spouses of men that want to sign up. We will
have spouses of past grads also speak at the orientation meeting letting the spouses
of the men wanting to sign up realize their importance in encouraging their
husbands and to not hinder them in making all of the 8 week sessions.

One thing we want our past and current graduates to pray about is sponsoring a
brother program. The program is designed to help cover the cost to put a man
through WAH. You can get more details of the sponsor a brother program at our

website as well. Just think the money you donate will impact the life of another man and his family. If you do donate make certain it is labeled for WAH fund so the ushers know what account to put it in.

Men be in prayer for the men that will be doing the next WAH session and that the spirit of the Lord be present in each of the sessions.

WAY OF THE MASTER TRAINING SESSION STARTED

On Sunday November 18th we started up our study session on Way Of The Master. The purpose of this course is to train up men to go and save the lost with the Gospel message with enthusiasm and not fear.

These men's lives will be forever changed after taking this course. This session is designed as an 8-week session, but we have condensed it into a 4-week session. This will seem like a boot camp to those who signed up and that they are drinking in information from a fire hose. There is no need to worry, our leadership team will make certain they are properly trained and equipped with the proper tools.

There are 6 WAH men who have signed up for this course. Session completion date is December 8th. However, in order to graduate and get there Blue Ribbon bar and Life Savings patch they will have to go and witness to at least one person under the supervision of the leadership team.

WAHU will make certain to keep you posted on the next WOTM class offering. If you want more details of the class go to our website www.wahu.biz and look under the curriculum section.
