Big R brought it home with his powerful message of armoring up and using of your talent. He also enlisted the help of Bold Dog (aka Caleb) to go over the various aspects of the Armor Of a Roman Soldier and how it relates in a spiritual realm. Big R also enlisted the help of an up and coming WAHrrior Ben Pavy to make the

"And if it seems evil to you to serve the LORD, choose for yourselves this day whom you will serve, whether the gods which your fathers served that [were] on the other side of the River, or the gods of the Amorites, in whose land you dwell. But as for me and my house, we will serve the LORD."

## WAHU Currently Conducting a Way of the master session and Bait of satan session

We started up our 7 week Bait Of Satan session on April 14<sup>th</sup>. We have 7 WAH graduates taking this course. They are H2O, Strong Shield, Victor, Vineman, Dragon Slayer, MOG and Coach. You can tell that it is impacting their life as well as their families.

At the completion of the session the participants will receive the Yellow bar.

At the same time in the second half of Sunday morning we are conducting our 4 week Way of the Master session. We currently have COP and Strong Tower participating in this session. They will be completing this class the first Sunday of May. They will receive the Blue bar for completing the class but in order to earn the Life Saving patch they will be required to go out and witness to 3 individuals, with the help of their instructors. The instructors for this session are H2O and Spear Carrier.

We did indicate to this group that in order to receive the coveted Bible Patch they would have to memorize the 12 scripture passages. The only one that has that title of this patch from the Basic WOTM class is Vine Man.

We encourage other WAH graduates to take these sessions when they are offered. We set up this curriculum so that after you leave the WAH session on a high, we want to take that high and show you how easy it is to witness to people with the proper training. We also know that that the devil does not like what is going on and will try to stop you. He will try to bring in offense. That is why you need to take the Bait Of Satan class to see the offense coming and learn to overcome it.

Go to the WAHU website to see the sessions offered and look at the calendar to see when they are offered and sign up.

## WAHU Bunker Ministries

We have now entered into the month of May. If you have not enlisted to help H2O (aka Shawn Hurt) on the 3<sup>rd</sup> Thursday of every month feeding the less fortunate at the City View complex in Indianapolis, what's hindering you from doing it? Are you scared or uncomfortable???

Make it a point to serve one time this year. Your time is running out and we will be going around asking which WAHrrior has not participated. Our goal is to have you participate at least one time.
