WAHU Graduation Banquet

We celebrated another successful WAH Graduating Banquet on Nov 22nd. We had approx 85 people in attendance. Food and fellowship was great as always and our own WAHU Praise team ushered us into worship and the ceremony. This WAHU Praise Team was coordinated by VM's brother in law Suresh. Those that comprised the WAHU Praise Team were: Suresh, Victor (Drums), Vine Man (Guitar), Lighthouse (Guitar), GM (Guitar) and his friend Scott (Bass Guitar) who will be doing an OOO with GM.

We also had for the first time our own trumpeter SHOFAR which began the Banquet session with Revelry and also when time came announced the Ring Ceremony to begin with Battle Cry.

Our own Relentless brought all together in his closing message of the bike that God gives you to travel in and that WAH is not the end of a mans journey just the beginning.

Joshua 24:15

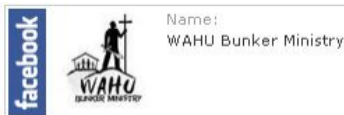

"And if it seems evil to you to serve the LORD, choose for yourselves this day whom you will serve, whether the gods which your fathers served that [were] on the other side of the River, or the gods of the Amorites, in whose land you dwell. But as for me and my house, we will serve the LORD."

Proverbs 27:17

[As] iron sharpens iron, So a man sharpens the countenance of his friend.

Exodus 15:3

The LORD [is] a man of war;
The LORD [is] His name.

Soup For Souls and Thanksgiving Basket Giveaway @ City View

The Soup 4 Souls event Held on Nov 10th at City View was a success. Of the 24 churches that help support this church in the inner city there were 7 churches represented. Their goal was to get at least \$12,000 in donations so that they could purchase 250 Thanksgiving meals for the less fortunate. They were able to collect \$12,075.00.

On Monday evening Nov 25th those who were able to make it could come and pray for the families that come to City View to get one of the baskets. I told Pastor Tim that Life Church and My Fathers House would need two prayer stations and that we would man those stations throughout the evening. We were represented well with Cabee and his beauty manning one station and Vine Man and his two kids manning the other station. The Teise family was there to help in passing out free coffee and help man the VM table when he left later that evening.

It was a good thing Chloe Teise was there, there was a person who was deaf and Chloe knew sign language. She was able to pray with her in sign.

It was amazing the amount of hurting hearts and tears that were shed when we prayed for some of the families. Even my daughters stated on there way home that they were glad they went and realize they have it pretty good at home and nothing to complain about. For those who would like to participate in this event, you will have your chance to sign up when it comes up again next year in Nov.

WAHU Bunker Ministries

We have now entered into the month of December. Can you believe that we have supported this outreach for a year now. Time flies by fast. If you have not enlisted to help H2O (aka Shawn Hurt) on the 3rd Thursday of every month feeding the less fortunate at the City View complex in Indianapolis, what's hindering you from doing it?

We had committed ourselves to serving drinks the Thursdays we are there and supplying coffee for the month. That investment has been around \$70.00 per month. The family who had been providing the food those Thursdays has asked us to take over for approx 6 months while the wife has her baby and rest before coming back. By taking on that aspect of providing food it will be an additional investment of approx \$125.00. In total we are committing to City View on a Monthly basis approx \$200.00 to help the less fortunate. Please consider donating to the WAHU fund to keep this ministry operating.

For the Month of November, those who helped was overwhelming. Last month we had 4 youth from Life Church participate. This month I was told I might have 6 youth coming. When I arrived at the church I was told that more signed up and I had to take the church van because there were 12 that wanted to go. Praise God for our youth having a heart for the less fortunate. Bible states we need to train up a child in the way of the Lord and as they get older they will not depart from the way.

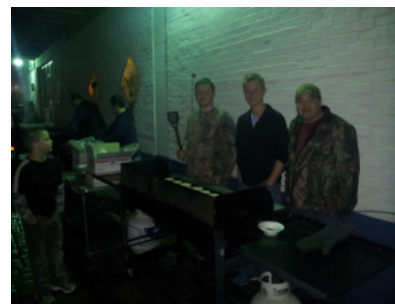

Cabee and Hungry brought 2 large grills and we churned out over 200 hamburgers. We also had Cabees son Andrew and two of the youth Luke and David also manning the grills under the close supervision eyes of Cabee and Hungry. Cabees wife was able to get Steak and Shake to donate free pickles, tomatoes, lettuce and onions for this event. Hungry also mad approx 5 quartz of his chicken tortilla soup.

We hade STUBS from Life Church also. My Fathers House was also represented well with VM and his family and Julie.

We had so many helpers that the less fortunate were told to stay seated and we would bring the food to them. They loved it, and enjoyed being served. There were also young people who sat down with the people and kids and had a great time conversing with them.

Make it a point to serve one time this year. Your time is running out and we will be going around asking which WAHrrior has not participated. Our goal is to have you participate at least one time.

Dunamis Call For Action

It was the day before Thanksgiving, not a person was stirring, not a word yet from VM the CEO when all of a sudden an all points bulletin from Dunamis came out on the WAHU Group Me Room.

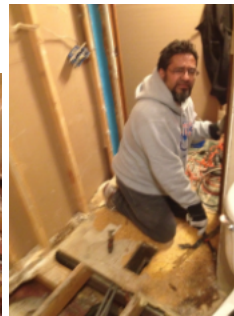

Dunamis

Guys I have a cousin I'm trying to help out. Meaning they are struggling right now and just got a trailer. So we reached out to a few people to help support them this Christmas with the three kids they have and prayers where answered. But on the nite if the trailer, I went down there to deliver a couch yesterday evening and it needs done work. So after leaving last night I felt GOD tell me that I'm suppose to help them do some work with the trailer financially. Do I'm going to listen. The floors in general at horrible and they are going to be having a baby in this place. So The wife and I are going to put ALOT of new things in place for them. I know it's a busy time right now for everyone but could use a little help and didn't know if anybody would be available to help. Also he believes in GOD but don't think he is worthy of his love because of all the bad he's done in life. Wife and I had a really good conversation with him and his girlfriend about GOD. Felt the Holy Spirit working at there place. Just wanted to share that as well. Thanks

**VM Searching
BD In Crawl Space**

One Of The Finished Rooms

Within moments of that post the WAHrriors started to gang up for action. We had H2O wives talking to Relentless wife to get supplies. We had COP's wife cook up a meal for the guys going there that night to do some work and COP delivering it.

Dunamis had gathered his posse of men: Bold Dog, Light House, Vine Man, Cabee and began the work of remodeling. Even Cabee brought his son Andrew along to help in the project. This is a great example of the old teaching the young.

Good thing we had a doctor on sight. Rumor has it that Bold Dog fell through the floor into the crawl space. Vine Man inspected Bold Dog for injuries and found none, when the all clear came that BD was good, the group could then have a good laugh. They were practicing what the Bible tells us to do, when things happen, laugh it off, laughter is the best medicine.

There are other WAHrriors that jumped in to also get needed items to this family such as Sharp Watchman, COP, Suresh, Barry. Thanks men for helping out a family that is kin to our WAH bro.

Another texted came out that put a smile on our faces. It was Dunamis again. Here is the text in its entirety.

The righteous considers the cause of the poor but the wicked regards not to know it.

When wealth is lost, nothing is lost; when health is lost, something is lost; when character is lost, all is lost.
